

ELEVATE YOUR OMICS SKILLS

Practical Skills for Omics Research Using CFDE Data and Resources Workshop

A Workshop Presented by CFDE Training Center, hosted by [Thomas Jefferson University](#) and [Drexel University](#), and co-sponsored by Jefferson's [Computational Medicine Center](#), [Office of Postdoctoral Affairs](#) and [College of Life Sciences](#).

Join us **July 6-7, 2026, from 9:00 a.m. to 5:00 p.m.** and get hands-on training and foundational knowledge on accessing, analyzing, and visualizing varying types of omics data (e.g. genomics, proteomics, transcriptomics) within the CFDE ecosystem.

Location: Center City, Philadelphia

Seats are limited - Apply by **Friday, June 19, 2026** via QR code or by visiting
